neptune series

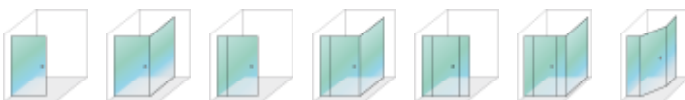

For more than 20 years, Pivottech has produced a range of shower enclosures that have set the standard for craftsmanship and value for money. Neptune shower enclosures are designed with the versatility to adapt to numerous applications and configurations, combined with the ease of installation and quality of components that our customers rely on. Elegance without compromise – designed simplicity.

neptune 90°

The Neptune provides a classic semi-frameless design that brings a feeling of light and space to any modern bathroom.
